Elizee

Lampshades info

All Elizee lamps come in three standard color combinations: structure painted in mat white with white shades, structure painted in mat black with black shades or structure with bronze finish and ivory shades. White, black or ivory shades can be acquired separately in order to obtain additional color combinations.

Articolele din familia Elizee sunt furnizate în trei combinații standard de culori: structură vopsită alb mat și abajururi albe, structură vopsită negru mat și abajururi negre, structură finisată bronz cu abajururi ivoar
Pot fi achiziționate separat abajururi albe, negre sau ivoar pentru obținerea unor combinații de culori diferite de standard.

Tutte le lampade Elizee prevedono tre combinazioni standard di colori: struttura verniciata bianco opaco con paralumi bianchi, struttura verniciata nero opaco con paralumi neri o struttura con finitura bronzo e paralumi avorio.
Ordinando separatamente i paralumi bianchi, neri o avorio si possono ottenere ulteriori combinazioni di colore.

Все изделия Elizee поставляются в трех стандартных цветовых сочетаниях: матовая структура белого цвета и белые абажуры, матовая структура черного цвет и черные абажуры, бронзовая отделка с абажурами цвета слоновой кости. Могут быть приобретены отдельно абажуры белого, черного или цвета слоновой кости для получения различных цветовых комбинаций отличных от стандартных.

Az Elizee lámpák három színkombinációval rendelkeznek: matt fehér festett szerkezetű, fehér lámpákkal, matt fekete festett szerkezettel, fekete lámpaburkolattal vagy bronzfényű szerkezettel és elefántcsont lámpával.
A fehér, fekete vagy elefántcsont lámpák külön rendelése esetén további színkombinációk érhetők el.

Всички осветителни тела от серия Elizee се предлагат в три стандартни цветови комбимации - корпус в бял мат с бели шапки, корпус в черен мат с черни шапки и корпус цвят бронз със шапки в цвят слонова кост.
Шапки в бяло, черно или слонова кост могат да се поръчат и отделно като допълнителна възможност за умножаване на цветовите комбинации.
