TOILETPAPER

An exceptional collection of home decor born from the collaboration between Maurizio Cattelan and Pierpaolo Ferrari, creators of the extraordinary magazine TOILETPAPER, where the surreal images of the magazine blend together with the world's most eccentric design brand SELETTI.

With its black humour in pastel colours and the inexhaustible instinct for experimentation, the collaboration between Seletti and Toiletpaper gives birth to a series of cult products, a must-have for those who dare.

ARMCHAIRS & SOFAS

The whole concept behind the BLOW collection is the will to offer to design aficionados dreamlike objects, created by Studio Job's unmistakable fantasy, allowing them to furnish their homes with unique and affordable objects.

The background is a solid blue color with several stylized white clouds scattered across it. Each cloud has a thick black outline and a small yellow crescent shape in the center. A red roller coaster track is visible in the lower portion of the image, curving from the left towards the right. In the bottom left corner, a green plate with a white rim is partially visible, containing a piece of food that looks like a slice of pizza or a sandwich.

Dinner for two?
Enjoy it anytime, anywhere.
